EXPERIENCE

LabCorp, RTP, NC — May 2006 - May 2022

Lab Supervisor (5 years)

I managed 12-20 direct reports. I made personnel decisions regarding hiring new employees. I oversaw the lab and its processing of samples.

Team Lead (5 years)

I provided instrument support, including writing programs for them. I trained new employees, including all certifying scientists.

Certifying Scientist (3 years)

I certified that testing was correct, ensuring proper chain-of-custody and proper corrective actions. I released negative results to clients and all abnormal appearance results.

Technologist (3 years)

I tested urine samples for drugs of abuse and specimen validity tests using immunoassay techniques including ELISA.

Softball Captain (5 years)

I managed Labcorp's softball team, including recruitment, scheduling and procuring uniforms.
